

Fireflies - Owl City

Verse 1

You would not believe your eyes
If ten million fireflies
Lit up the world as I fell asleep
'Cause they fill the open air
And leave teardrops everywhere
You'd think me rude but I would just stand and stare

Chorus 1

I'd like to make myself believe that planet earth turns slowly
It's hard to say that I'd rather stay awake when I'm asleep
'Cause everything is never as it seems

Verse 2

'Cause I'd get a thousand hugs
From ten thousand lightning bugs
As they tried to teach me how to dance
A foxtrot above my head
A sock hop beneath my bed
A disco ball is just hanging by a thread

Chorus 2

I'd like to make myself believe that planet earth turns slowly
It's hard to say that I'd rather stay awake when I'm asleep
'Cause everything is never as it seems when I fall asleep

Verse 3 (Split Lyrics)

Part 1 - Leave my door open just a crack
Part 2 - Please take me away from here
Part 1 - 'Cause I feel like such an insomniac
Part 2 - Please take me away from here
Part 1 - Why do I tire of counting sheep
Part 2 - Please take me away from here
Part 1 - When I'm far too tired to fall asleep

Verse 4 - (Parts together)

To ten million fireflies
I'm weird cause I hate goodbyes
I got misty eyes as they said farewell
But I'll know where several are
If my dreams get real bizarre
'Cause I saved a few and I keep them in a jar

Chorus 3

I'd like to make myself believe that planet earth turns slowly
It's hard to say that I'd rather stay awake when I'm asleep
'Cause everything is never as it seems when I fall asleep

Chorus 4 - Soloists two from each class

I'd like to make myself believe that planet earth turns slowly
It's hard to say that I'd rather stay awake when I'm asleep
'Cause everything is never as it seems
