

You are invited to the...

# K-1 Dance Party!!!

"Look what I can do!!"

How many times a day do you hear this from your child? Well, now you get to experience what they do in Music Class first hand! This year in K-1 we are learning several songs, dances, and movement games that we are going to teach you during our Dance Party. So get out your dancing shoes!

Here's the plan...

**Who: K-1 Class and Family Member**

**What: K-1 Dance Party**

**When: Friday, November 15th, 8am - 9am**

**Where: The Cafetorium**

**Why: To show parents what we do in Music Class and have fun!**

**How:**

We are asking that one family member accompany each K-1 student to the Dance Party. We will start normally by reporting to your classroom for attendance. Then teachers will bring students and their family members down to the party! A "Family member" can be anyone with whom the student would be comfortable, including a neighbor, adult sibling, grandparent, etc. If you can't attend, please let us know as soon as possible, but it's an experience you really don't want to miss if at all possible! We will start by doing some singing together and demonstrating instruments. The students will then teach you some folk dances and games we will play together! We will be done just before 9am when the students will head back to class.
